## 2013: Year of the Scandal

*It was a triple crown for scandals with all three levels of government having their fair share of controversies. From crack videos of Toronto's mayor to the Senate scandal in Ottawa to the gas plant debate at Queen's Park, 2013 was the year of non-stop political action. The world welcomed England's newest heir to the throne and said goodbye to one of its greatest leaders in Nelson Mandela. We also said goodbye to the Canadian penny. What's in store for 2014? We'll wait and see.*

YOUR NEXT JOB IS TO FIND THE  
MISSING FORD CRACK VIDEO,  
AND THE DELETED  
GAS PLANT EMAILS.

'INDIANA JONES AND THE LOST CRUSADE'.
