It could be a pair of track shoes, a theatrical costume, or maybe even a robotics set. If your child has a passion for something, we will harness it and take it to a whole new level. We will essentially attach a big set of sub-woofers to it and allow it to be amplified to the world. If they have yet to find it, we will dig down deep and explore all the possibilities, and not stop until we unearth that one thing that opens their mind and their eyes as big as humanly possible. It's an incredible place to discover big, dreamy answers to the question,

WHO WILL YOU BE?
