We'd like to thank our volunteers!

National Volunteer Week is from April 6 to 12 and we'd like to thank all of the volunteers at Markham Stouffville Hospital for bringing their skills, talents and expertise to support our team as we provide care to our community.

Our volunteers perform numerous valuable functions and have many roles within the organization. Patients and visitors are warmly greeted by our volunteers at the hospital information desks and the emergency department. Our volunteers assist in both clinical and non-clinical areas in the hospital, along with community events. Our volunteers have also been providing an extraordinary amount of assistance during the renovations currently underway in Building A by providing maps and directions to patients and visitors.

We'd like to thank all of our volunteers for the tremendous difference they have made at Markham Stouffville Hospital.

Your passion and commitment to our patients and community leaves a lasting, positive impression and for this, we cannot thank you enough!

At Markham Stouffville Hospital, volunteers are an integral part of our health-care team.
