Did you know
this is household
hazardous waste?

When no longer needed,
fluorescent light bulbs become
household hazardous waste.

Household hazardous waste does not belong in the garbage, in your blue box or down the drain. It should be brought to a depot location where it will be disposed of safely.

For more information on what household hazardous waste is and where to drop it off please visit york.ca/hhw or call 1-866-665-6752
