Pieter van der Griend
- Dealer Principal & Managing Partner

Welcome to Stouffville Chrysler Dodge Jeep Ram. On behalf of our entire team I want to thank everyone in Stouffville, Markham, Uxbridge and surrounding area for their commitment and support of our Hyundai Equus dealership since 2010. We are very excited about opening Stouffville Chrysler Dodge Jeep with industry segment leaders like the Dodge Grand Caravan, Dodge Ram, Dodge Journey, Dodge Dart, Chrysler Town & Country and the entire Jeep line. These vehicles can only compliment the product offering at the Stouffville Auto Mall.

Purchasing a vehicle is a big decision and we believe you have the right to deal with someone who knows the process and the pitfalls; a team that is professional, courteous and customer-friendly.

Corporate citizenship is an important value at Stouffville Chrysler Dodge Jeep Ram and each of

us here is dedicated to supporting and improving the community in which we live and work and we will bring innovation and a creative spirit to building community partnerships.
