

Fireworks and a movie in Ballantrae

Looking for some Victoria Day weekend fireworks, Whitchurch-Stouffville?

The fifth annual Family Fireworks promise to be *Epic* this year.

Following the show in the sky, which starts at dusk in the Ballantrae Community Centre's park, 5592 Aurora Rd., Sunday, the movie *Epic* will be screened.

4,000 ATTENDED

Last year was the first time an outdoor movie was added to the Victoria Day celebration.

About 4,000 people attended, according to town councillor Phil Bannon, the event's founder.

The free celebration starts at 6 p.m. Food will be available for purchase.

If it rains, the event is cancelled and will not be rescheduled, according to Mr. Bannon.

You can 'zip' through park

BY SANDRA BOLAN

People will be able to zip-line, walk along suspended bridges and take a Tarzan-like swing 40 feet in the air at Bruce's Mill Conservations Area beginning next month.

The Stouffville Road park is being designed to provide people aged nine and up with a unique way to experience the woods.

The company constructing the aerial park — Treetop Trekking — utilizes a specialized building technique that creates little to no impact on the natural environment, according to a media release.

A second phase of the project, scheduled to open later this summer, will be a treehouse village for children five years of age and up.

Treetop Trekking operates four other zip-line and aerial game parks in Ontario: Horseshoe Valley, Heart Lake Conservation Area, Ganaraska Forest Centre and at Deerhurst Resort.
