Share Your Water Story and Photo With Us

It could be washing up after an afternoon in the garden, preparing a healthy meal or pouring yourself a clean, refreshing glass of tap water.

We're looking to you to help build our Water Is campaign. Enter our contest by sharing how you and your family use water around your home.

Participants will receive a gift and be entered for a chance to win a family pass to Canada's Wonderland. Multiple entries are welcome. You could see your story or photo in a newspaper, on our website or Facebook page.
