

Stouffville girl serves up berth on Team Ontario volleyball squad

Lauryn Renzella's performance on the volleyball court hasn't gone unnoticed.

The Stouffville resident was recently chosen to play for Team Ontario that will take to the hardwood court for the National Team Challenge Cup at the University of Manitoba in Winnipeg, July 16 to 20.

A student at Stouffville District Secondary School and member of the Spartans' senior girls' volleyball team this past season that competed at the Ontario Federation of School Athletic Associations AAA playdowns, Renzella also honed her skills at the rep volleyball level as a member of the Aurora Storm under-17 Bolts.

As part of the under-17 Storm Bolts volleyball team, Renzella played an integral role in helping

them earn a silver medal at the Ontario Championships in April, and a fourth-place finish at the Canadian Open Volleyball Nationals in Edmonton in May.

While in Edmonton, Renzella was honoured with another all-Star award, this time at the national level.

One of only six girls picked out of the pool of 80 under-17 teams from across Canada, the all-star honour earned Renzella a spot at the coveted High Performance Centre (HPC), an intense five-day camp at Nipissing University that was held earlier this month.

The camp not only served as a place where the players practiced. At the same time it served as part of the selection process for the Team Ontario.

Recognized for her talent as a

left-handed, right-side player, Renzella was chosen to be a member of Team Ontario, and will play on one of two Ontario teams that will take part in the National Team Challenge Cup.

More changes for Spirit

As the Stouffville Spirit gear up for the start of their main training camp next month, the Ontario Junior Hockey League club continued to make some changes to their off-ice personnel.

In one move, the club recently announced Drew Laskoski will not be returning to serve as their head athletic therapist.

Replacing the longtime athletic therapist will be Leslie Dias, who assisted Laskoski last season.

Filling the void as assistant ath-

letic therapist is Khanh Vy.

In another recent move, the club announced Tracy Green will not be returning as goaltending coach.

Frank Robinson, Spirit director of player personnel, said the club is currently in the process of looking for a successor.

The Spirit's scouting staff will be bolstered with the hiring of Phil Kestin.

The Markham resident served with the Markham Waxers minor organization and was the head coach of their AAA midget squad the last couple of seasons.

Kestin will be identifying potential prospects in the West Division of the ETA along with doing some pre-scouting of Ontario Junior Hockey League contests.

On a separate note, the Spirit are looking for a qualified equip-

ment manager.

Former Spirit re-signs with Canucks

Chris Tanev began his National Hockey League career with the Vancouver Canucks.

For the time being, the 24-year-old former Stouffville Spirit and Markham Waxers defence man will remain with the club after re-signing him to a one-year contract, the Canucks announced Saturday.

During the 2013-14 campaign, Tanev collected a career high six goals and 11 assists and eight penalty minutes in 64 games.
