## Survey says Wassef on town ballot

*Anonymous robocalls  
omit 2 actual candidates*

Who will you vote for mayor – Justin Altmann, Phil Bannon, Richard Bartley or Farid Wassef?

That's right. Wassef, the Conservative candidate for Oak Ridges-Markham in last month's provincial election, was one of the options given to residents who received robocalls regarding the upcoming election during the past week.

"I didn't even think he was running," said Katrina Collins, 36, who received a call.

"I have nothing to do with that. I know nothing about it. I'm not running for mayor," Wassef told The Sun-Tribune.

Wassef admitted while on the campaign trail this past provincial election, and when residents see him in town, they mention he should run for mayor.

"It's nice to receive those comments," he said.
