

FOXTAIL PROPERTY SERVICES

Foxtail Property Services is a local lawn/property maintenance company. We have been taking care of homes in Stouffville for over 7 years now and we were voted the best in our field for 2013.

For the past 3 years Foxtail has hired some of Stouffville's best students looking for a summer job. We stress the importance of being "extra picky" to our staff when we hire. If we are not picky, than perhaps we are in the wrong business.

What makes us the best?

Aside from a great cut every week of the summer, we feel that the biggest reason why our great people of Stouffville call us back every year is because they feel comfortable with us on they're property.

It is all about good people working with good people. That we owe to our great staff and to our loyal Stouffville clients.

This is why we are "Stouffville's Best!" in the landscape property maintenance business. Please look for our signs around town in the spring of 2015 and feel free to call us for an estimate. Hopefully we can help you out with your property as well!

Charlinda Belgian Chocolates - Stouffville's Unique Hidden Treasure

It may be one of York Region's best-kept secrets, a hidden treasure nestled in the beautiful countryside of Whitechurch, Stouffville overlooking Musselman's Lake. Those lucky enough to have discovered it, return again and again - mouths watering in the anticipation of sampling the best Belgian chocolate this side of Europe. Welcome to Charlinda Belgian Chocolates. The chocolate is personally hand-made by Linda Pullen, who founded the company with her mother, Charlotte Vanderheyden 23 years ago. All the chocolate is gluten free and the dark chocolate is also lactose free. They also have diabetic chocolate. They import the finest Callebaut chocolate from Belgium and incorporate their own secret recipe, blending the best of old and new. Their scrumptious creations can be made in any shape you can imagine, using molds uniquely designed, everything from boats to ballerinas, stilletos to storks, company logos, wedding favours, amazing dessert trays and more - delectable delights for all occasions. They also have over 23 flavours of incredible truffles as well as Ice Wine Truffles using local wineries in the area. Any special request can be accommodated. Whether you are looking for a personal or corporate gift, Charlinda is the place to go. Come & explore these tasty treats for yourself. It's simple to find, just take the 9th line north, just 3km north of Bloomington. When you see the blue waters of Musselman's Lake, follow the curve around the shoreline and there you are.

This is a particularly wonderful time of the year to take this daytrip with your family. You can relax, soak up the sun, breathe in the country air and sample the multiple flavours of ice cream or frozen yogurt, milkshakes, freshly squeezed lemonade, butter & cream fudge, latte or espresso, all on the patio overlooking the lake. Take your time browsing in the shop, sampling the chocolate treats. There is plenty of free parking.
