### Sear on York U17 golf team

Luke Sear made the cut. The Stouffville resident was among 36 youths who were named to one of five regional golf teams that will comprise Ontario's under-17 high performance program in 2014-15, the Golf Association of Ontario announced Monday.

The Stouffville District Secondary School Grade 11 student who helped his school team win the York Region Athletic Association senior boys' team title and recorded the best individual score on the day, was named to the 12-member Team York squad.

Sear and other players chosen were selected based on their 2014 tournament scores and testing results from Skills Combines held during September.

The Regional Team Program is designed for golfers under the age of 17.

Players participate in regional skills combines and those results, combined with tournament results and Order of Merit standings, determine the 12 players selected for each team.

Team members take part in an eight-

month training program with a PGA of Canada registered head coach and strength and conditioning consultant.

They participate in 11 three-hour sessions before a spring training camp and Regional Team Competition to be held in Niagara at the end of April.

### Wise scores in AHL debut

Jamie Wise is working his way up the professional hockey rank and file.

Last week, the 23-year-old Stouffville resident was summoned by the Rockford IceHogs of the American Hockey League from their Indy Fuel East Coast Hockey League affiliate.

Wise scored in his AHL debut Friday, an overtime loss to the Chicago Wolves.

Starting his first professional season with the Fuel, Wise had one goal and three assists in 12 games before he was called up prior to last weekend.

Prior to turning pro, Wise spent two seasons with Ryerson University where he played for the Rams' hockey team coached by his father, Graham Wise.
