IN WITH THE NEW

Change, the only genuine constant in our lives, was certainly evident in York Region during the past year.

New political leadership, infrastructure, social service enhancements, health, safety and technology innovations in 2014 have sown the seeds for continued growth in the new year.

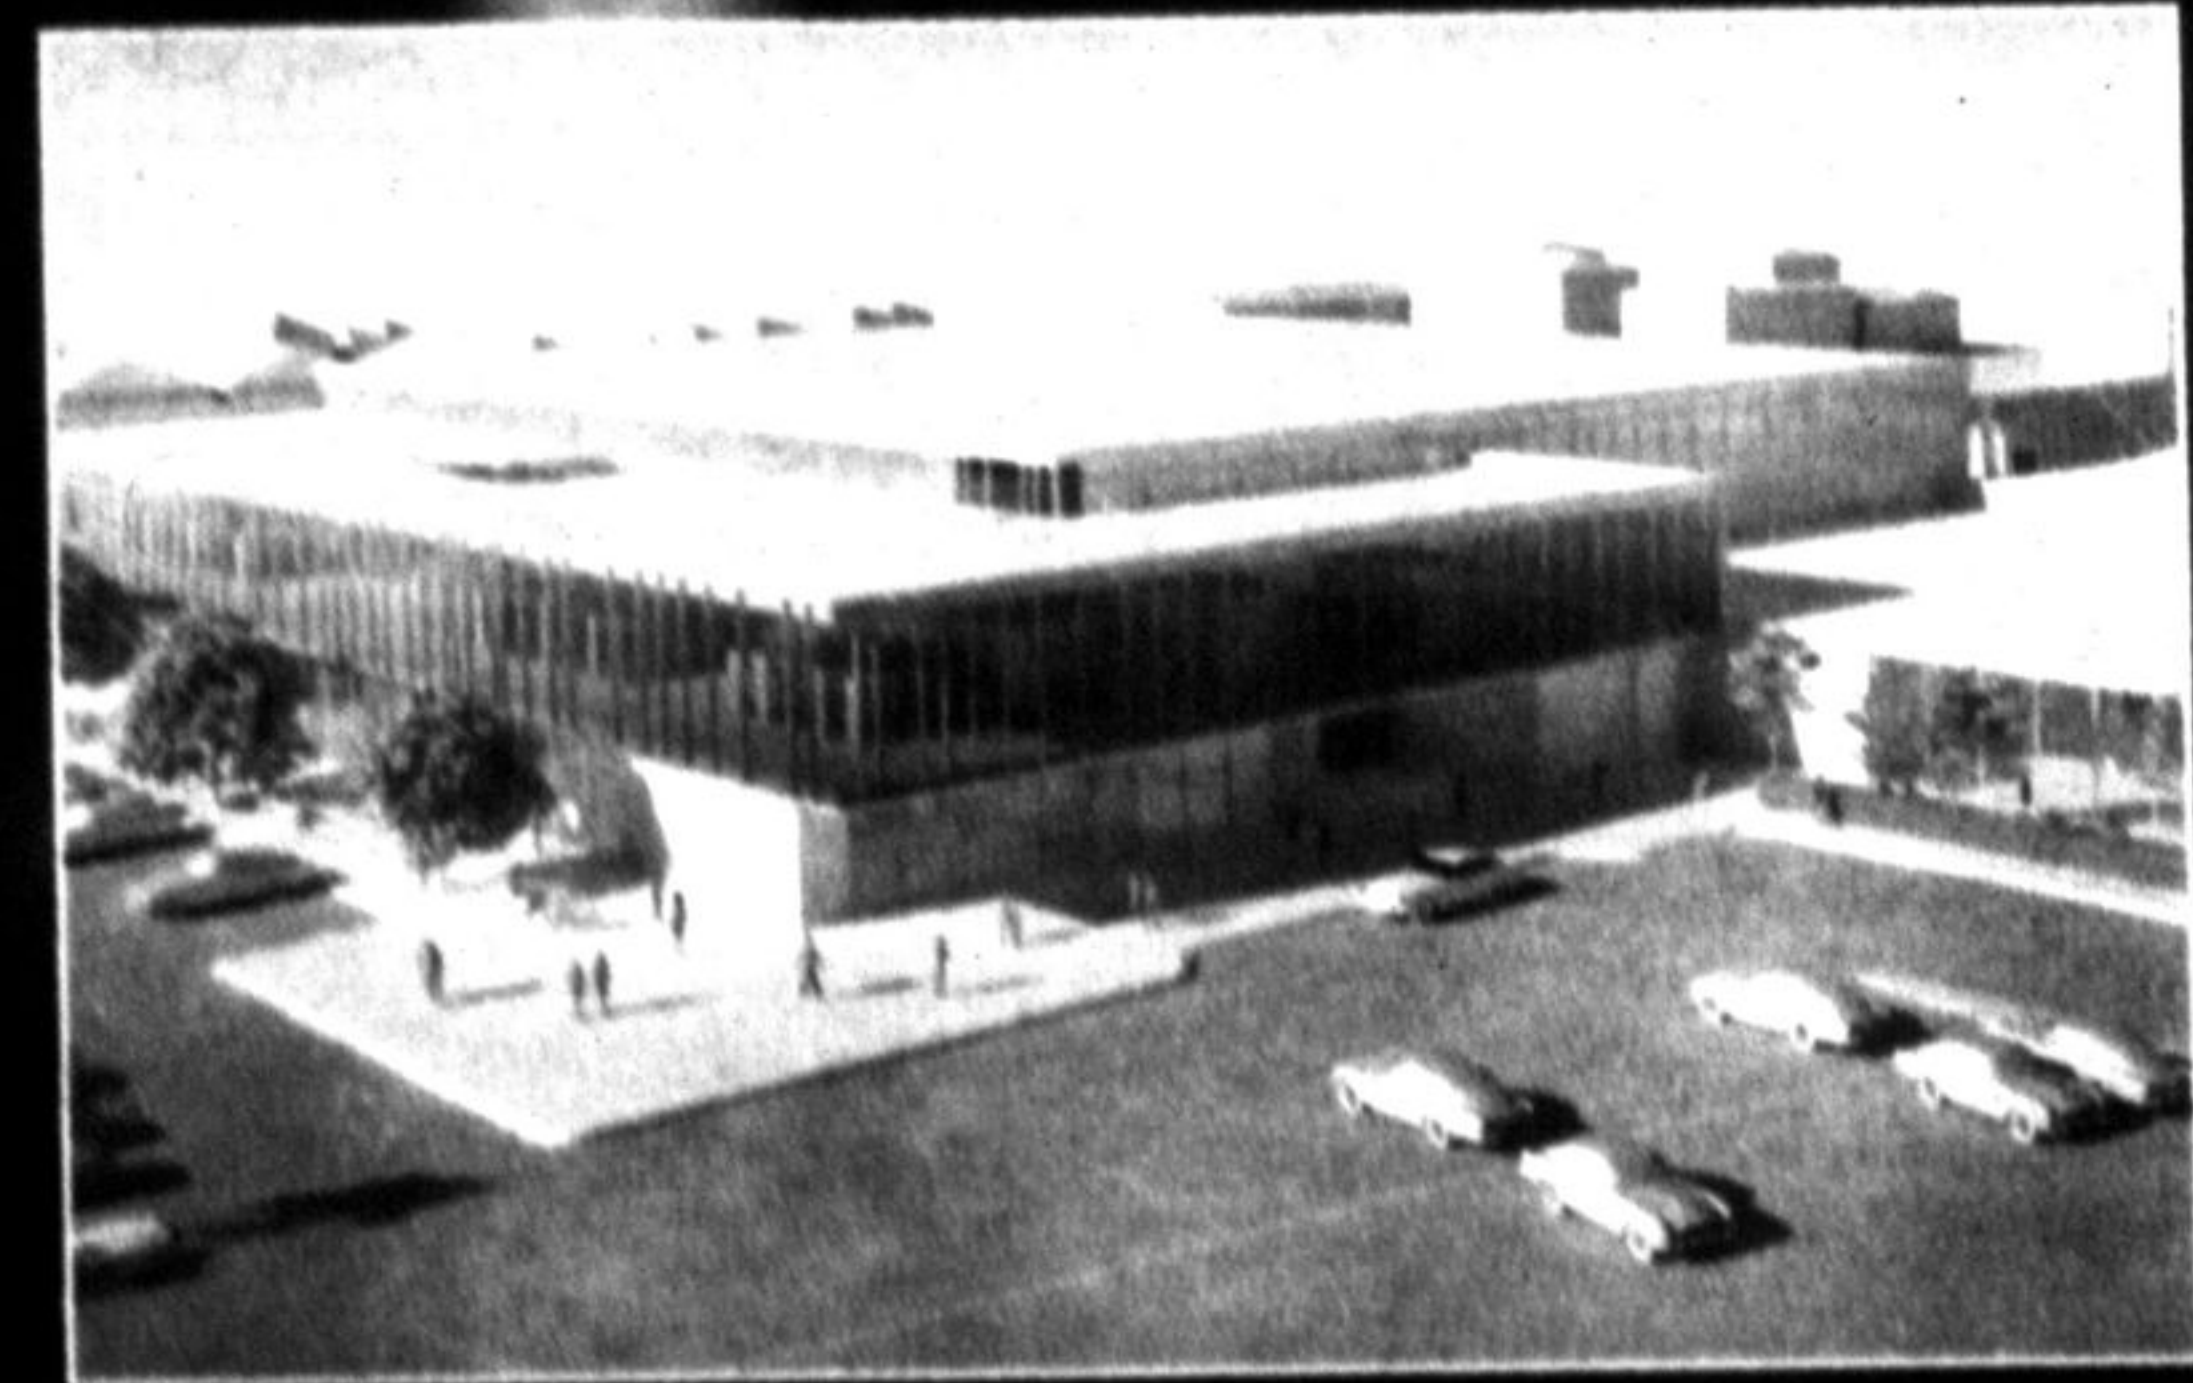

A realigned York Region council will be led by newly appointed chairperson and CEO Wayne Emmerson of Stouffville. Municipal elections reshaped mayoral and councillor rosters in our nine municipalities. Major construction projects, including the expansion of Davis Drive in Newmarket, the northerly extension of Hwy 404, Viva route additions and subway inroads will help ease congestion in and out of the region. Markham will host sev-

eral 2015 PanAm Game events. Whitchurch-Stouffville council includes four rookie councillors and a new mayor, Justin Altmann. Their biggest decision could be the proposed \$28-million expansion to the library/fitness/pool complex. More politics? 2015 is a federal election year.
