

# Book your passage for summer fun

Whitchurch-Stouffville Public Library offers a treasure trove of fun in this summer's reading program.

The program is open to elementary and middle school students in three categories, based on their fall 2002 enrollment at school. Pirates is for students in kinder-

garten or grade 1; Treasure Maps is for those in grades 2 and 3, and Treasure is for grades 4 and up. There is also a special Read to Me category for ages 3-and-a-half to six.

Students who read a specified number of books will each receive a coupon from

McDonald's and will be eligible to participate in a draw for fabulous prizes, which include a street hockey goalie net, a golf set, Barbie digital camera and a Raptors' basketball. For more information drop into the library or call 906-642-READ.
