MARKHAM STOUFFVILLE HOSPITAL

Church St, Markham

through the beautiful Cornell community

The Run/Walk has raised close to \$1.5 million for the hospital.
It provides recreational walkers to families and school children.
It supports the community and is well supported by local businesses and

we have purchased neonatal intensive care beds to ensure more
care close to home. Of the approximately 3,000 babies
born at the hospital each year, about three per cent require admission to our
unit and special medical needs.

We want to get babies home as soon as possible, to give our tiniest and most
precious a happy start to life.

Register online at www.legacy5k.ca

Markham Stouffville Foundation Legacy 5k Run/Walk by taking part or making a pledge.

Funds raised in 2010
will support the neonatal
intensive care unit
and the renowned
Dr. Bear Program.
