PET CARE SERVICES AND PRODUCTS ...
"Covering Your Pet's Needs From Head To Tail!"

A PAWSITIVELY WONDERFUL EXPERIENCE FOR YOUR PET!

Nicely groomed dogs are in style this spring and The K-9 CLIPPER in Downtown Stouffville is what all the pooches are talking about at the local fire hydrants.

Dogs that come into the salon get pampered with one on one attention, making grooming stress free in a quiet and relaxed atmosphere. All pups give it the one paw up!

K-9 Clipper is Markham & Stouffville's official Furminator Shed-Less Salon. This treatment makes both long and short haired pets look and feel better. The Shed-Less Program has been proven to reduce shedding by up to 90% and is recommended by doctors for people with allergies, removing shed hair and dander normally left in your home and car. This treatment was developed to grab and remove, not cut, undercoat hair quickly and easily. Neither the specialized tools nor the process hurts your pet, and all-natural deShedding Shampoo & deShedding Solution are great for promoting a healthy skin and coat on your pet.

Do you have a puppy? Introduction to the groom room is always free. It is important to get your puppy used to the sounds and the feel of grooming equipment at an early stage of development. Drop by and ask for a brochure on the basics of at-home grooming.

Whether you want a breed-specific trim or just a handsome and easy to care for style, the K-9 Clipper can assist you. Many styling options are available for your loved one so be sure to ask about different styles.

THE K-9 CLIPPER IS LOCATED AT 6389 MAIN STREET IN DOWNTOWN STOUFFVILLE. CALL 905-640-PAWS (7297)

TLC DOGS Obedience Training, Daycare & Boarding
"THE PLACE WITH HEART"

TLC DOGS co-owner Karen Straghan's true passions in life are dogs, dogs and more dogs! Karen has owned dogs for 40 years & has been training them for over 20 years, implementing her own truly effective and genuine technique in training and handling dog behavioural issues.

TLC DOGS' daycare and boarding facility is like no other. ALL dogs that go to TLC DOGS live in a cage-free environment, with no pens, no crates, no kennel runs, and are treated as if they are one of their own...which, yes, means that they are spoiled rotten!! Nothing beats nature's own private park like setting, which they provide with multiple fenced in acreage for a healthier and happier environment instead of an enclosed room or being left home all day alone. At TLC DOGS, dogs can do what they are meant to do, which is run like the wind, find sticks, play hide n' seek with other dogs through the trees, play Frisbee, football, tennis etc. and play until their heart is content while socializing with other dogs daily, overnight or weekly with absolutely no worries!

TLC DOGS IS ONLY 5 MINUTES FROM DOWNTOWN STOUFFVILLE AND 10 MINUTES FROM MARKHAM. VISIT THEIR WEBSITE: WWW.TLCDOGS.CA FOR MORE INFORMATION, PICTURES AND TESTIMONIALS OR CALL (647) 297-3647.
