DENTURISTS are Denture Specialists

Denturist Michael Deegan has operated the Stouffville Denture Clinic in downtown Stouffville since October 2000. Equipped with a full onsite lab Michael can provide same service on virtually all your denture needs. Michael is equipped to fit every kind of denture. Whether you need a soft liner for sensitive gums, a flexible denture to wrap around existing teeth, or even an injection processed denture which, over the last 10 years, Michael has seen provide the best fit.

At Michael's Clinic you are provided with the professional advice needed prior to choosing the denture that best suits your lifestyle. The importance of a thorough consultation and examination prior to any treatment cannot be emphasized enough. No referral is required to see a Denturist.

By regularly maintaining and replacing your denture when necessary it is possible to improve aesthetics, your health, enjoyment of eating, and even your self confidence.

To book an appointment with Michael call the Stouffville Denture Clinic today at 905-642-4867. We're located at 6248 Main Street Stouffville.

Certified Mastectomy Fittings and Professional Bra Fittings

The Pink Ribbon Boutique in Markham is a caring environment where Marie Randorf focuses on mastectomy prosthesis and professional bra fittings.

Marie, a certified prosthesis fitter for more than 14 years, is a designated provider of Amoena Airway & Trulife mastectomy prosthesis. She believes you can actually enjoy shopping for a new you after a lumpectomy or mastectomy surgery, and find just the right European style bathing suit. Marie works directly with various hospitals and cancer clinics in the GTA to help breast cancer patients with post surgery needs. She also participates actively in Breast Cancer Awareness fund raising events.

Live life to the fullest. Wherever you go, whatever you do, Marie can fit an external breast form that gives you the natural silhouette, softness and security you need after breast surgery.

The fitting of a breast prosthesis is not only for aesthetic appearance, it is also a therapeutic measure that replaces the weight of the breast, keeping the weight equilibrium of the body in balance. Not wearing breast prosthesis or wearing one that is heavier or lighter can result in spinal curvature, shoulder drop, muscle contracture (pain) and balance problems.

After a lumpectomy, or after or even during reconstruction, Balance shapers can help you regain symmetry, fitting into a traditional bra to even out your figure in just the right places.

The Pink Ribbon Boutique carries a collection of post-breast surgery bras designed with every woman in mind. Ask about coverage for breast forms and post surgical bras. Some plans provide assistance.

Pink Ribbon Boutique is located at 377 Main St. N., Ste. B in Markham. (S.E. corner Main & 16th Ave.)
Parking at rear. Call 905-201-7371 for an appointment.
