

THE SHOWCASE

OF THE FINEST BUSINESSES AND SERVICES

MAKE IT CONES & CAKES FOR ICE CREAM, HOME MADE CAKES - AND HAPPY FACES!

"I truly believe that ice cream and cake is the centre of all that's good!"

With that conviction, Laura DiLiddo set out to establish the ultimate ice cream parlour and home made cake emporium in Downtown Stouffville earlier this year.

She has succeeded, with Cones & Cakes having quickly become the destination of choice for the discriminating sweet tooth.

Laura offers over 24 flavours of highest quality Kawartha Dairy ice cream, along with her own custom made cakes, cookies, cupcakes and other scrumptious treats.

One step inside Cones & Cakes and you'll be smiling. The décor is "Instant Cheery", with bubbles of all colours and sizes painted all over the walls. The round tables by the front window are the perfect spot for relaxing with your ice cream selection, baked treat, coffee, cappuccino (iced or hot!) latte, or Brain Freeze Slushie! Or you can take it with you.

Planning a special occasion or party? Why not let Laura custom bake a creation of your choice. She'll even create a theme cake for your child's birthday. How about a mouth watering pumpkin pie with real whipped cream for Thanksgiving? Or some spooky cup cakes to give out at Halloween?

Great ice cream, delicious home baked creations baked the way you want them and lots of smiles! That's what you'll always find at Cones & Cakes!

Cones 'n Cakes

Located at 6380 Main Street, just west of the Fire Hall, in Downtown Stouffville.

STONEHOUSE TRAVEL Catering to the Needs of Today's Traveler

Other businesses may come and go, but Stonehouse Travel has remained a permanent fixture at the same location on Main Street Stouffville for over 30 years.

Sally Thomas acquired the business 20 years ago from the original owners and she continues to manage the day to day operation. A staff of four full time consultants has over 50 collective years in the travel industry. Each agent has traveled extensively around the world and regularly attends seminars to remain informed on new travel products and destination information.

The evolution of travel in recent years has provided new challenges within the industry. Internet competition and discount travel groups have changed the face of travel. It is reasonable to expect the best value when making travel arrangements, and part of that cost is service, experience and quality assurance.

Stonehouse clients are the 'new' generation of travelers - the couples planning destination weddings, the baby boomers arranging an independent tour in Europe, Asia, Australia or the adventurous looking for an activity based holiday such as cycling in Ireland, Scuba diving on the Great Barrier Reef, hiking in the Alps or bungee jumping in New Zealand.

Stonehouse Travel works hard for people who are just not willing to risk booking through a faceless venue without guarantee of knowledge or customer service. They provide the information and options available for memorable, stress-free travel.

YORK DANCE ACADEMY A leader in dance education!

The York Dance Academy, founded in 1986 by Angela Tucker following a successful dance career, currently has three studios located in York Region; Aurora, Newmarket & Stouffville. Angela was instrumental in changing the quality of dance instruction in York Region, being the first to offer parent viewing areas, dancer birthday parties, a children's dance company and limited class sizes taught only by qualified dance instructors.

Angela is a member of ACTRA and has written and produced a children's dance/exercise DVD entitled The Teddy Bear Workout. She has written and published a book on Social Dancing and was a guest host on C.B.C's

The Fitness People. In the early 90's Angela presented one of the largest line dance festivals in York Region, with over 1,000 people participating. Proceeds from the event were donated to Whitchurch-Stouffville Mobility Transit.

Angela's faculty is all fully certified through world recognized dance associations including I.S.T.D., C.D.T.A., PAEC. Many of the instructors have had or still have careers with professional dance companies including, to name a few, the world renowned National Ballet of Canada, What's on, Tap! and Stouffville's own MOTUS.

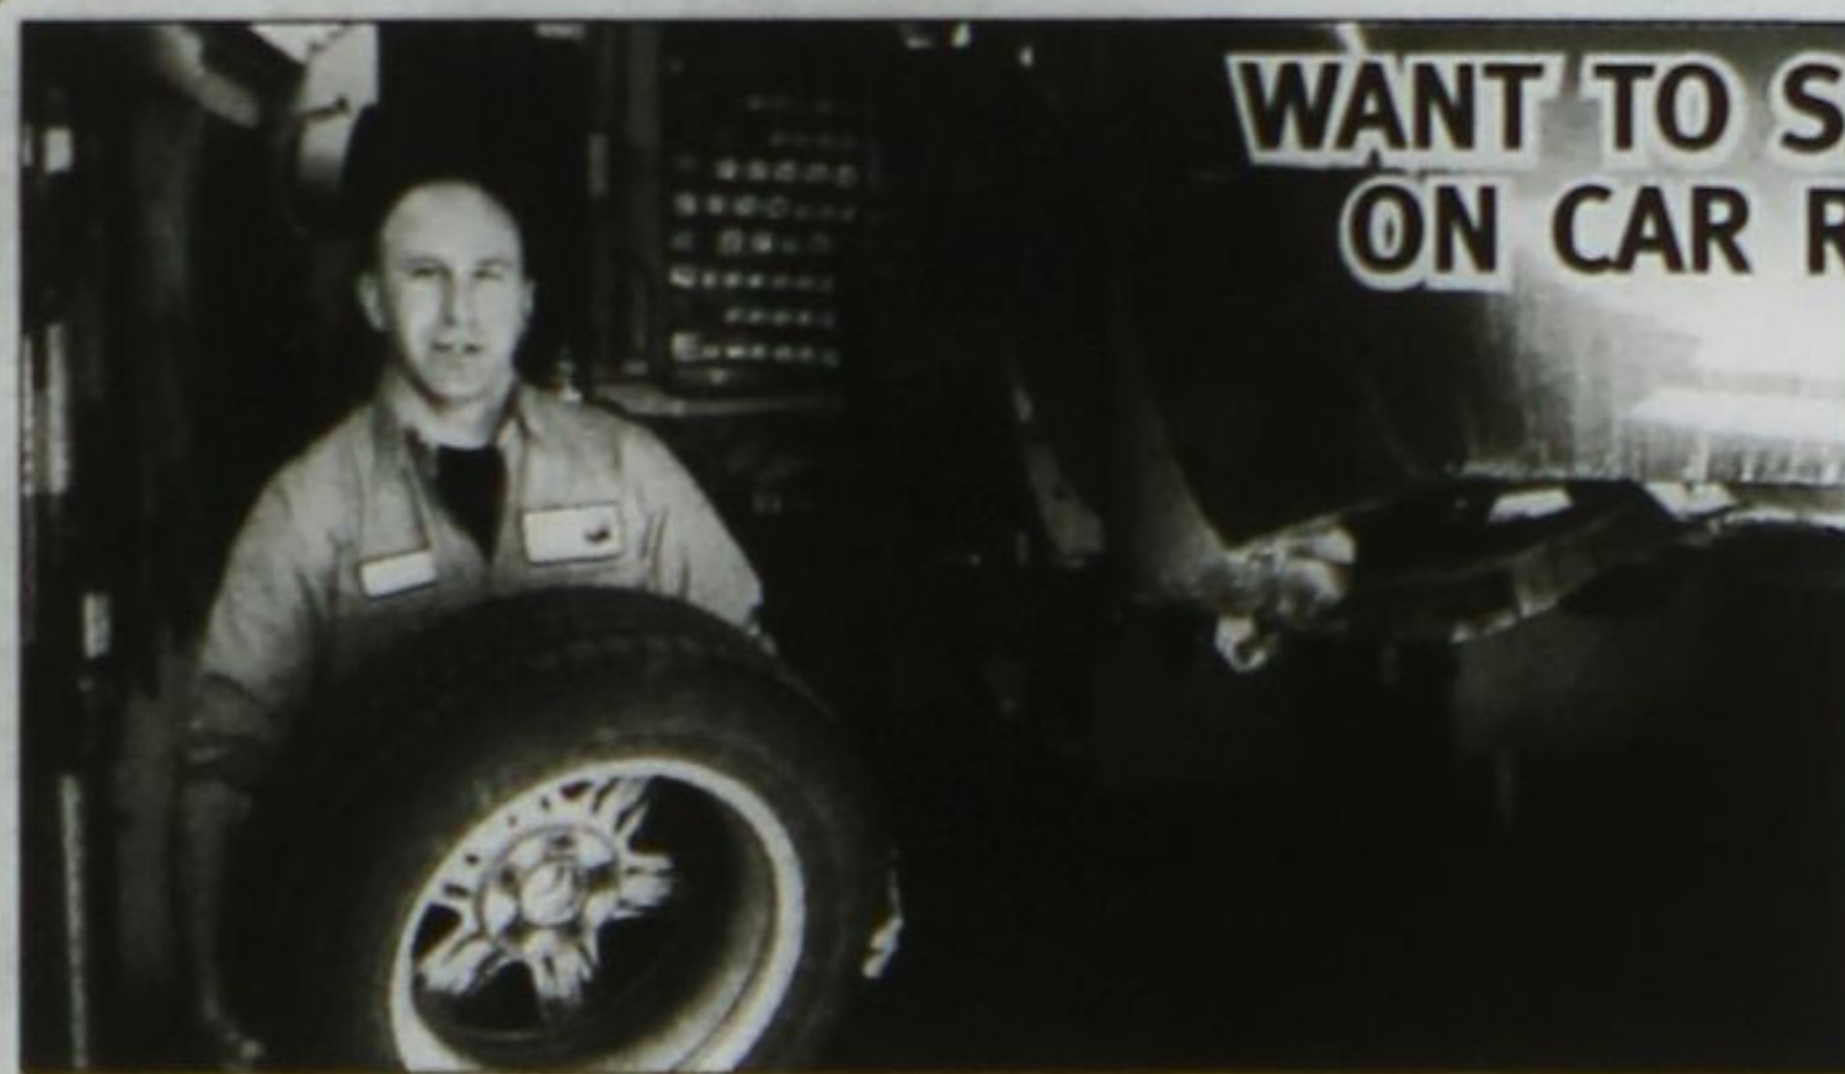

Classes are offered from the age of three years to adult with a focus on developing healthy, confident dancers whose passion for dance is nurtured in a positive and friendly environment. For those who wish to perform more than once a year, there is the award winning York Dance Company which last year had the pleasure of performing at Walt Disney World in Florida.

WANT TO SAVE MONEY ON CAR REPAIRS??

For 10 years Main Street Auto Service's Tim Chasse has been helping people cut their repair costs by keeping them on track with regular maintenance.

Main Street Auto Service owner Tim Chasse offers these five basic tips to help increase the life of your car and reduce overall cost:

- 1 Buy a car or Truck with a good track record, study the industry and get to know good value. Don't buy the one-of-a-kind thing that no one has parts for.
- 2 Oil spray or undercoat your vehicle as soon as you get it, or at least within a year. Don't wait until it starts rusting to get in to action. Spending \$100 a year to prevent rust from eating things away has saved people tons of money in the end.
- 3 Look after the paint and interior by keeping it vacuumed out, washed and waxed. No one likes putting money into a filthy rust bucket!
- 4 Keep up on regular services and keep to a 5000 km oil change. Waiting for a light to tell you when its time to change your oil is a great idea, but when that car gets out of warranty at 60 or 80,000km you can count on it using oil, and now you own the problem.
- 5 Put good tires on the car and invest in a set of snow tires. \$800 for tires and rims is much cheaper than your \$1000 deductible and cost to repair the other guy's car!

Need a plan of action to get back on track? Just give us a call! We would be glad to help save you money.

Main Street Auto Service is located at 6757 Main St. at 10th Line in Stouffville's East End. Call 905-642-9000
