Doug Richardson, a former student at Stouffville Christian school and SDSS, visited the Christian School on Sept. 11 and gave a funny and touching speech on his student days, his own experience with cancer and his work as a cancer researcher. Doug, who was a special guest at the Terry Fox Run Sept.16, has been awarded a Terry Fox grant for his work.

Whitchurch-Stouffville residents are invited to participate in a provincial attempt to break the Guinness World Record for the largest number of people walking one kilometre simultaneously.

The World Record Walk 2007 will take place across Ontario on Oct. 3, said Mico Ongman, the town's program and aquatic supervisor. "We are going to do our part and participate in this fun opportunity. I have registered on behalf of the Town of Whitchurch-Stouffville and anyone can join us in participating in

this world record attempt. It's easy, only one kilometre."

The local contingent will meet at the front doors of the Lebovic Leisure Centre at 12:30 p.m. "We will be taking the scenic route down to Byers Pond Way where you can catch a glimpse of the new park," said Mico. "We will continue on the new trail system around the natural pond, over the beautiful bridge and make our way back to the leisure centre."

Official 'I'm a world record walker' certificates will be given to all participants. Western Australia holds the current record of 100,915 walkers.
