Take a Time for Planning

Eventing

Safety Tips

- Never overload outlets or run extension cords under rugs or carpets.
- Don't tamper with electrical appliances or electrical services.

Heating Safety:

- Fuel burning appliances are to be inspected at least once a year by a professional.
- Have chimneys inspected and cleaned every year by W.E.T.T. certified professionals.
- Provide a minimum of 1 metre of space around fuel burning appliances.
- Ensure your home is protected with a carbon monoxide detector. Install the detector near the sleeping areas of your home.

prevention techniques during Fire Prevention Week October 4th - 9th and all year round.
