## THE SHOPS AROUND RINGWOOD DRIVE

"A Unique Assortment of Shops & Services for you to Discover"

### When Do I Get My Key?

That is the most frequently asked question in handling real estate closings. Followed closely by "When do I get my money?" The answer to both questions is "I don't know."

Real estate transactions are complicated matters involving several different people. I am sitting here waiting to close a purchase. I am also waiting for the mortgage company to send me their money. After I get that there are several steps including dealing with the other lawyer who is dealing with his clients. Yesterday all parties were ready and the people had their key by 10:30 AM. Today it could be 5:30 PM.

Getting vendors their money is the same. If the purchaser's money comes from their sale before buying my client's house then you double all of those questions.

My incredibly knowledgeable and competent assistant and I always try to be ready by 9:00 am. Then we wait. After a while we call. And then wait. I want you to get your key and money as early as possible. I just do not know when that will be.

### Mason Jars of Ontario Peaches – Just Like Your Grandmother Used to Make

It's good to know your food!

The changing leaves and a new chill in the air tell us that fresh and juicy Ontario peaches are finished for the year. We're sad to see the fresh fruit season coming to an end, but are excited to offer canned peaches that you can enjoy all year long. Made by Edna and Melinda Brubacher at their professional cannery in Ariss, Ontario, these glass mason jars of Ontario peaches look and taste just like the ones your grandmother used to make. Come visit us at the Kitchen and pick up a jar or two to remind you of summer on a chilly fall evening.
