

Designing your garden

Goodwood Gardens' free seminar series continues this month with "Landscaping: Bringing the Design to Life", presented by David Gribble on Saturday, April 16 at 2 p.m. in the greenhouse at 378 Highway 47, east of Goodwood.

Once the backbreaking work is done, then the fun begins. Mr. Gribble walks you through the steps of analyzing your conditions and choosing plant material, maintenance requirements, drought tolerance, mass or specimen planting to make a statement. Other topics will include soils and amendments, planting techniques, mulches, ornaments and personal touches.

YDAPA Brings red-headed orphan to life

The York Durham Academy of the Performing Arts (YDAPA) presents "Annie". This popular story of a spunky depression-era orphan who is determined to find her real parents is filled with bright tuneful music like "Tomorrow", "Easy Street", and "Hard Knock Life", energetic choreography and has such a heartwarming story that it is no wonder it has become a standard in community theatre.

"Annie" runs from April 29 to May 1, 2005 at the Vaughan City Playhouse (located on Bathurst, south of Hwy. 7). So come and join the large and talented company for a night of uplifting entertainment. Tickets are available online at www.y-shows.ca or by calling 905-640-0823 mailbox 3.

Quiches: Many of our customers are making special trips to our store for our fresh or frozen quiches made with cream, milk, and whole eggs. Some of the fillings are Cheddar and Bacon or Cheddar and Broccoli. These quiches are available fresh on Fridays and Saturdays or from our freezer case for you to keep on hand for an easy brunch or handy supper item.

Bombay Chicken Curry: New from our kitchen this month is our mild Chicken Curry. We make this delectable dish with a blend of curry spices, carrots, potatoes, de-boned chicken, and coconut milk. Just thaw and heat—it's delicious served with rice.
