Benjamin Moore

The Colour Experts

getting into *Outside*

The lovely natural setting and multi-level layout of this attractive pressure-treated deck are highlighted by a two-toned stain treatment. In contrast to the lighter stain used on the upper level and steps, a darker stain is used on the lower level to focus attention on the main entertainment area. For more inspiring ideas using quality Benjamin Moore® exterior paints and stains, visit us today!

Now that the nice weather is upon us it's the perfect time to
