Christmas day the family of Mr. and Mrs. John King met at the home of their son Wm., when a grand family reunion was held. After all had partaken of the good things provided an address was read by Mrs. Robert Dufoe, expressing the kind wishes of the family for their aged parents, and on behalf of the children, presented Mr. King with a fine arm chair, and Mrs. King with a beautiful rocking chair. Although Mr. and Mrs. King were taken completely by surprise, they very feelingly thanked their children for the kind wishes and excellent gifts.
