Editorial

A GREAT RELIGIOUS REVIVAL

The attention of the Christian world is directed to the wonderful revival that has lately spread over Wales.

Evan. Roberts, a young miner, 26 years of age, began the movement in a quiet and unobtrusive manner. The interest has spread throughout the country and thousands have become followers of the Cross.

In London, Eng., the American Evangelists Terry and Alexander, under the auspices of the Anglican Church, have recently began a six months series of meetings. £17,000 has been subscribed to defray expenses. Twelve thousand attended the

MR. LENNOX' RECEPTION.

On Monday, evening Feb. 6th about 800 of the citizens of Stouffville and the surrounding country assembled in Spofford's Hall to do honor to the legislative member-elect for North York.

The hall was beautifully decorated with flags and bunting gracefully and artistically suspended to its walls and ceiling.

The band of the 12th York Rangers of which Mr. Lennox is an officer was in attendance and gave life to the proceedings

On the platform were Mesdames Miller, Manning, Mrs. Jno. F. Lennox and Mrs. T. Herbert Lennox, Mr.

F. H. GRAY, AGENT.

Liberals for their support. Three years ago in accepting the Conservative nomination he had promised to redeem North York. He had made good the promise. In so far as he was able the pledges made to his constituents would be carried out and if his party leaders were not willing to give him what he asked for he would worry them until they were. In filling his position he would know no favorites. Grit and Tory alike would find in him a representative. And if it was in his power to advance the interests of any of his constituents, he hoped they would not hesitate to make it known to him and he would gladly do it. He invited all to call on him in Queen's Park, it would be a pleasure for him to do his best to entertain them, and closed by thanking his supporters for the honor done him to-night.

Mr. W. H. Hoyle, M. P. P. North Ontario aroused the enthusiasm of the audience to the fullest. He dwelt on the corruption of past governments and the punishment meted out

to those who had risen in their might and

He had confidence

and ability of

the people

to conduct

There's a way of keeping well

It requires knowledge of the right remedy and a determination to use it in time. Disease gets hold most easily when we are "fired out" or "run down." Keep up the vitality by occasional use of a good tonic and you will be pretty sure to keep well.

Tonic Hypo... a combination of... be energy known. It increases blood, of every organ, and brain and mind can use it nerve tonic medicine without... ment.
