

LOCAL HAPPENINGS

Division Court in Stouffville, on Monday, Jan. 31st.

Miss Lager, registered nurse, is open for engagements. Phone 3789.

Let your share of the January store snaps. Watch the advertising columns.

Rev. W. M. McGuire left on Saturday to conduct a series of evangelistic services at Vineland.

Potatoes have suffered a considerable slump the past week or more. Dealers are paying \$1.15 bag at Goodwood.

Last Thursday's market was extremely small. Prices were practically unchanged, eggs bringing 45c. to 50c. dozen, and butter 38c lb. Butter prices vary slightly, just as the quality varies.

Messrs. T. Birkett, Sam Armstrong H. W. Sanders and Wm. Armstrong (ak.) left for Lindsay on Tuesday, to twist the granite rocks on behalf of Stouffville, in the famous Lindsay bonspiel. As these men are all capable of sliding the granite to the inner circle almost when occasion demands it, they stand a good chance of bringing home the cup.

Harry Holden, eldest son of Mr. and Mrs. Delbert Holden, Church street, was unfortunate in meeting with a bad accident at the rink on Saturday night. While skating he fell on the ice, and someone stepped with their skate on the back of his left hand. Although he had a leather mitten on, the skate cut through and badly gashed the flesh, necessitating seven stitches to close the wound.

RIGHT IN SEASON

Don't you want a fine new pair for the big arena? Come in and pick out yours.

SILVESTER BROS
MEMO—After Jan. 1st during the winter months we close each day, (except Saturday) at 6.30 p.m.

New Year resolutions are mostly broken when planted in "soil" that is not right for them.

A car load of horses were shipped from Aurora to Copper Cliff last week.

Frank Baker is offering for sale two used gasoline engines of 5 and 3 horse power. See them at Baker's garage.

Delbert Holden has moved his implement business from the rear of the post office, to the block west of the Mansion House.

Allan Crossen, Cliff Pipher, Fred Marshall and Mervyn Watts (skip) composed the successful curling group which won the New Year tournament in Stouffville, conducted by the local players. The finals were just completed the later part of last week.

Blanche Hoover, daughter of Mr. and Mrs. Harmon Hoover, met with a serious accident at the school house one day last week. When playing she fell, fracturing her collar bone, which has since caused her a great deal of pain, and it will be some weeks before her recovery.

In the Stouffville United Church on Sunday morning diplomas were presented to nineteen scholars of the Sunday School, in recognition of their regular attendance at the morning church service throughout 1926. Two of the scholars failed to miss one service in the entire year, two others missed only one Sunday, and nine missed three each.

The Lindsay hockey team were greatly elated over the splendid sheet of ice they had to play on at Stouffville last Friday night, when they met the locals in an O.H.A. fixture here. The Lindsay rink, they state, is a mere frying pan, in comparison to Baker's arena, and it somewhat made the chests of a number of local lads swell up a bit as they stood by and heard the admission of the boys from Victoria County.

Mr. Lud Hoover has been awarded the contract for levelling, grading, sodding, fencing and seeding the new post office property. The work will be commenced in the spring as soon as the ground is ready, and when completed will still add much more to the already much improved corner, from its appearance of two years ago. Fencing will be erected about the rear end of the lot, and the lawn will be terraced to the south end. The authorities should be prevailed on to place eavetroughing about the building, otherwise it will be impossible to raise flowers along the front, where the water continually runs down.

MacDowell's Millinery—We have a few smart velvet hats in stock to clear at one price \$1.95 each. Orders taken for Silk Lamp Shades.

The barrel factory that once hoped to operate here is likely to locate in Etobicoke Township, if negotiations now going on are satisfactorily concluded.

Carnival at the rink to-night, (Thursday). This being the first of the season, and the first ever in the new arena, a big crowd is expected to be there. Many will be in fancy dress for which prizes are being offered.

Mr. Ambrose Stover has just completed the installation of a modern new dough mixer of the highest type. The fine new mixer is calculated to do the best work necessary to the production of the best loaf. This machine is electrically driven, and is capable of mixing dough enough at one time to make 300 loaves of bread.

Wm. Clarkson, a well-known farmer living to the east of Stouffville, in addition to carrying on his regular farm work the past year, found time to shear 1500 sheep. "Bill" handles the shears with the same alacrity as any of the local barbers, and it would be interesting to know which bared the most heads during the sheep shearing season.

Two of our well known people, Mrs. Maria Kester and Mrs. Edw. Boothby, always celebrate together at this time of year, for they have a great deal in common. Mrs. Boothby had a birthday on Saturday last, it being her 80th, and Mrs. Kester reached her 83rd year on Sunday. They and their brothers, Hiram Forsyth of Uxbridge Twp., and Nathan of Church street, are members of one of the oldest families in this section.

Mr. G. H. Vaughan of Bloomington, had an exciting experience with his bay driver on Saturday afternoon in Stouffville. Mr. Vaughan had just tied the horse in Ratcliff's shed, and was about to pick up a piece of stray paper lest it should frighten the animal, when it bolted away, tearing the bride from its head. Unfortunately Mr. Vaughan was caught by the lines about his foot, and this dragged him some distance, before he got free. The animal was caught in front of the post office before any real speed was gotten up, and no further damage was done.

A former resident of Stouffville, Mrs. Allan, who lives with her daughter, Mrs. Dr. Gray at Chippewa on the Niagara River, reached her 84th birthday on January 2nd, and friends in town will be glad to offer their congratulations to this grand old mother who enjoys all her faculties. Mrs. Allan will be remembered when her late husband conducted a jewelry store here some 30 years ago, in the property now occupied by Mr. James Mowat. Since her residence in Chippewa Mrs. Allan occasionally visits the old town and has many intimate friends here. Mr. Samuel Hare who lives on O'Brien Avenue, is a brother of Mrs. Allan. He was 86 years of age last October, and is wonderfully alert and bright despite his years.

The annual High School Oratorical contest will shortly be held, and as in the past years, prizes will be awarded to the successful contestants. It is proposed to give in all \$20 in cash, to be distributed as follows: \$5, \$3 and \$2 for the first, second and third best in oratory, also \$5, \$3 and \$2 for the best in elocution. In view of the opportunity afforded to encourage this very laudable part of the school work, these prizes have been given voluntarily by citizens of the town in previous years, and a request is made that they be raised this year in the same manner. Citizens who would like to identify themselves with this, may select the prize they wish to give and notify Mr. Archie Stouffer, the principal of the school.

Eighty dozen eggs from 50 White Leghorn pullets is the record attained by a pen belonging to A.S. Collins of this town, for the two months of November and December, this being an average of 16 eggs per day. In view of his success this poultry fancier wishes to give the public a few hints on how to attain this production. First select good stock, hatched by May 1st, giving them good care during the summer. They should commence to lay Nov. 1st. Provide good roomy pen, well ventilated, dry and with plenty of light. Avoid musty feed. Give pure wheat in the morning for feed, with Schumacher and Full-O-Pep or other reliable brands. Mix with milk or water to stiffen, (not sloppy). Night feed of oats and buckwheat. Keep Gunn's big sixty in a swing box before them all the time. Give a cabbage or mangold fresh daily, also shell and grit, and dry dust from ashes. If by following these instructions one can obtain eggs in November and December, when market is at peak prices, they will be well repaid.

Carnival Tonight

C. W. Patch of Grearville, will speak in the Church of Christ, west end, on Sunday, Jan. 16th, at 11 o'clock a.m. You are invited to attend.

The Junior Institute meets Thursday, Jan. 13th, (today) at Mrs. A. Goudie's at 2.30. Be on time and bring someone with you as there is to be a special speaker.

I take this opportunity to thank the sender of "conscience money" that I received. I can assure the sender that it was appreciated. Yours truly, Harry Leadbetter.

We handle subscriptions for all the daily papers along with The Tribune, and will save you money, and often inconvenience by sending your renewal through The Tribune.

We regret to report the serious illness of Mrs. John Morgason, west end. Owing to her condition Mrs. Crosby of Toronto and Mrs. McDonald of Goodwood, two daughters, are at home here.

A tip for Byron Beebe—A Tees, water blacksmith advertised that he proposed distributing coat hangers and cigar lighters this January instead of calendars. As his customers came to him he handed them a nail and a match.

Those who were named as a striking committee to select the standing committees in connection with the Old Home Celebration, are requested to meet in H. A. Sanders' office this Friday evening at 8 o'clock.

Through the generosity of Mr. W. H. Todd a new and suitable screen for use with the lantern in the United Church has been secured, and through the kindly assistance of A. E. Booth, will be ready for service next Sabbath evening. The members of the church wish to express their appreciation to these two gentlemen.

On the first Wednesday of the New Year, the Woman's Missionary Society of the United Church, held a wonderfully interesting and instructive meeting, when the work of the missionaries in the numerous fields was a special feature. It is hoped that all ladies will avail themselves of the opportunity of hearing of the work in India, on the first Wednesday of February.

The monthly meeting of the Women's Institute will be held at the home of Mrs. Wm. Morden on Wednesday, Jan. 19th, at 2.30 p.m. Program—Paper, "The Beauties of Friendship" by Mrs. (Rev.) MacLeod; Reading, Miss Daley; Paper, "The Sunny Side of Life" by Mrs. W. Lehman; Community singing; Social half hour. Everybody welcome.

There died in Toronto on Sunday, Jan. 9th, a former resident of this place, namely, Henry Alfred Booker, in his 71st year. The deceased was a son of the late Rev. T. Booker, a Baptist minister of this town, who is remembered by many of our readers, and who was buried here some twelve years or more ago. The funeral took place from the residence of his brother-in-law, Mr. J. F. Madill, 1250 Woodbine Avenue, interment being at Stouffville cemetery. The pall bearers were remaining members of the old Stouffville band, to which the deceased belonged, namely Noah Stouffer, Simeon Stouffer, John and Wm. Dougherty, Wilmot Brown, and E.J. Davey, Rev. Jas. Grant of Toronto, assisted by Rev. W.W. Fleischer, took charge of the service.

On Monday evening the installation ceremonies in connection with Stouffville Lodge, No. 384, I.O.O.F. took place. Clayt Baker, District Deputy, acted as installing officer, and following the work of the evening an oyster supper was served to the brethren. The officers for the ensuing year are:

- Bro. Ed. Lintner, J.P.G.
- Bro. Chas. Barkey, N. G.
- Bro. Jesse Cook, V. G.
- Bro. W. R. Sanders, Rec. Sec'y.
- Bro. Archie Stover, Fin. Sec'y.
- Bro. M. C. Barker, Treas.
- Bro. J. W. Ratcliff, Chaplain
- Bro. Ray Yake, Warden
- Bro. M. Tait, R.S.N.G.
- Bro. J. H. Madill, L.S.N.G.
- Bro. A. B. Lehman, Conductor
- Bro. Geo. Martin, R.S.V.G.
- Bro. Otto Baker, L.S.V.G.
- Bro. Geo. Keay, R.S.S.
- Bro. J. H. Spang, I.G.
- Bro. J. W. McMullen, O.G.

An interesting old grandfather clock may be seen in the home of Mr. Eli Raymer, west end, Stouffville. Beautifully engraved upon the upper part of the solid brass dial are the designs of a residence and a block-house, or fort, in the centre, with all canvas spread is a ship, always in motion when the clock is going. In graceful scroll work at the bottom of the dial is the name of the maker, Jordan Post, York, showing that it was made by the founder of Jordan and Melinda streets. The form is composed of cherry with elaborate carving; the works are brass, and will run eight days with one winding. Send The Tribune to absent friends.

THE STANDARD BANK OF CANADA

CHARACTER AND INDIVIDUALITY IN BANKS

In the course of development of a banking business policies are formed, habits maintained and methods practiced which are peculiarly and intimately connected with the institution that gave them birth. It is these things that give a bank individual character that influences a man in making his financial affiliation. In offering our services, we solicit your enquiries regarding Standard Bank policies as affecting your own business.
