WHERE BRITAIN SHINES.

Loudon March 2.-In the House of Commons to-day George J. Goschen, First Lord of the Admirlty, presented the navy estimates. He said that the in the raid on Johannesburg, the capital of baye been pushed have nominally nothing proposed increase in the naval expendi- the Transyaal repubic, have been returned to do with the Transvaal, His retention tures was not due to any feeling of alarm. More ships meant more men, and these could be got. The Government proposed an increase of £850,000 for guns and docks at Gibraltar. It had decided to tain of the political stage will presently be zens of the Transvaal, for the feeling is build three docks instead of one. The raised to disclose the incidents of the succost of the new works was estimated at ceeding acts. The generosity displayed £2,500,000 in addition to the £361,000 by President Kruger in handing over the pounds already allotted for the new British prisoners to their own government dock there. Summing up the demands of the Government, Mr. Goschen said it was proposed to raise the naval works bill from the £8,500,000 proposed by the last Government to £14,000,000, which last Government to £14,000,000, which his peaceful domains, his quality, of mercy has Government to £14,000,000, which would be the amount of the Government bill. Continuing, he wid that these might seem large figures, but the Chancellor of the Exchequer authorized him to state that the Exchequer could to collect and sift evidence, and one princisupply the money. It was proposed to pal feature in the whole proceeding will be add to the navy five battleships like the to ascertain, if, and to what extent, the improved Renown, four first-class cruisers | British South Africa Company is implicatthree second-class cruisers, six third- ed with Dr Jameson.
