STOUFFVILLE, ONTARIO, FRIDAY, APRIL 14, 1893.

the other side."

afterwards," I said.

"Thank you."

quickly. "I think I would have stopped ceived my intention at once, and slight anyhow, for your lunch looked very ly raised them to meet me as I bent. HE WHO MEANS WHAT HE SAYS There is one whom you ever may trust,
As you travel o'er life's varied ways,
Who will strive to be honest and just—
He's the fellow who means what he us; s, tempting, and it is a mile or more to Then she drew back, and, catching the

He is not one to lead you astray;
On his word you may always depend;
When he owes, he is sure to repay.
And he never goes back on a friend.

What he scorns to the last is the lie; What he holds to his heart is the truth; All temptation he well may defy Who will keep to this rule in his youth.

To be true—all is there—to be true!
You will find in the end that it pays;
Search your heart and be certain that you
Are the fellow who means what he says.

-Ceorge Birdseye, in Golden Days. A MATTER OF COURSE It was the middle of the second week after "Henley." That is how my friend am not a boating man myself, so per-haps I ought to explain how I came to Her hands belied the notion that she | Clewer.

bright yellow floor paint of be in solitary possession of a randar that Wednesday in the latter part of July. Clewer wanted it down at Datchet on our old reliable brand, warthe Saturday following, and was too busy to bring it down himself. Would appointed there, but I had been prejudic-I go to Henley and fetch it for him? I had nothing to do-so Clewer said. I might take all the week over it if I chose, so long as I reached Datchet by the Friday night. I decided that I ought to be able to manage the distance in somewhat less STANDARD BANK without something to put it time than that, and in fact I reached by the middle of the second day of my blistering journey. on with, we have provided a The sun had blazed upon me for a day myself, and had not broken anything as vet or scraped the varnish off the ran-
