THE STRANGEST .- Perhaps the most

remarkable dinner on record was that

given by an antiquary named troebel,

in the city of Brussels. At the dinner

were apples that ripened more than

1800 years ago, bread made from

wheat grown before the children of

Israel passed through the Red Sea,

and spread with butter that was made

playing with the little boys at Genoa.

The appies were taken from an earth,

en jar taken from the ruins of Pom

peli. The wheat was taken from a

chamber in one of the pyramids, the

butter from a stone shelf in an old well

in Scotland, where for several contur-

ies it had lain in an earthern crock in

icy water, and the wine was recovered

but was permitted to help himself

bountifully to the butter, there being

several pounds of it. The apple jar

held two-thirds of a gallon. The
