RHEUMATISM CURED IN A DAY .- South American Rheumatic cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 5 cents. Warranted by R. P. Coulson,

Druggist. Advices from Samarcand are to the effect that the Russians are preparing to occupy Herat, near the western frontier of Afganistan, at an early date. The Ameer's forces at Herat number hardly 300, all his other troops are massed on the eastern frontier. The Russians are reported to be fortifying Penjdeh, Sarakhs and Pulikhatum. The troops at all three stations will be reinforced probably in the autumn from the Caucasian division of the Russian army. All Russian troops in the trans-Caspian Provinces are being armed with repeating

George P. Witherbee, of Port Henry, and six young companions who were sailing in Witherbee's yacht, the Alpha, was capsized in Lake Champlain at II o'clock Monday. Witherbee and five of the boys were drown ed. Their names were Williams Gildea, 13 years old; William Breadner, aged 14 years; Eddie Jubert, 13 years; John Whitman, aged 12, all of Port Henry, and Al- "To Whom it May Concern: bert Brush, 12 years, of Brooklyn, N. Y., who was a guest of Jubert. Joseph La- humanity whose bodies and souls I would barge, 11 years old, saved himself by swim- have healthy, to tell them of the value of ing to the Vermont shore. The yacht was Hood's Sarsaparille. While living in Ohio a 24-foot boat, and was considered a strong and substantial one. Witherbee was 25 years old an I an all-round athlete. He was a competent yachtman. Witherbee died in a heroic effort to save young Brush's life. The yacht was raised during the afternoon, but none of the bodies of the victims had been found until 9 o'clock this evening when they were recovered.

Conductor Smith of the C. P. R. was shot | afflicted was again termented like Job, and I twice by a gang of tramps between Drumbo and Gait Sunday. The tramps were in again a cure. I gave some of the medicine to a freight car and the trainmen ordered a poor woman and two children; they were them out. The quartette first showed fight | helped as were nine. Through a testimoand as they were going over the fence one of the number drew a pistol and fred on the conductor The ball passed through the fleshy part of his right leg below the knee. The tramp fired again, the second ball entering the groin. An attempt was made to arrest them, but with one exception they escaped. The one who was caught although not the man who did the firing, was brought to Brantford. The tramp was bound hand and foot with a rope and was bundled into the waiting room at the station to await the arrival of the police; but while the trainmen were reciting their thrilling experience to a curious crowd outside the tramp removed the coils of rope from his body and skipped. When Chief Will arrived with a conveyence to remove the prisoner to the cells he was not in it. On being searched a revolver, a knife and \$65 in cash were found on him. Mr. Smith took his train on to London, where he was removed to his home. The doctor recovered the bullets, and Mr. Smith is progressing favorably.
