THE CREAT SOUTH AMERICAN

mach Liver Cure

The Most Astonishing Medical Discovery of the Last One Hundred Years. It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk.

This wonderful Nervine Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nervine Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the

general public. This medicine has completely solv. the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from whatever cause. It performs this by the great nervine tonic qualities which it possesses, and by its great curative powers upon the digestive organs, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nervine Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption remedy ever used on this continent. It is a marvelous cure for nervousness of females of all ages. Ladies who are approaching the critical period known as change in life, should not fail to use this great Nervine Tonic, almost constantly, for the space of two or three years. It will carry them safely over the danger. This great strengthener and curative is of inestimable value to the aged and infirm, because its great energizing properties will give them a new hold on life. It will add ten or fifteen years to the lives of many of those who will use a half dozen bottles of the remedy each year.
