AN OLD BOY PREACHES

On Tuesday Rev. E. G. Sanders left on his return journey to Grenfell, Sask., where he is pastor of the United Church congregation. Sunday it was with keen delight Cheap articles do not wear nor that many heard this old Stouffville does cheap Insurance protect your boy deliver the evening sermon in needs. You get what you pay for the church where he spent his boyhood days. He preached from the words of St. Mark as - printed in chap. 12, verse 34: "Thou art not far from the Kingdom of God." The speaker delivered a powerful appeal to those who pay the honest dollar and would do no wrong, but still are outside the Kingdom, to take the great step that would mean eternal life to them. Alas! the great majority of church goers today are doubtless to be found in the ranks of those "just outside the Kingdom of God." He spoke with conviction, and as one of the "lads of Stouffville" not so very long ago, his words must sink deep, and leave an gation of that evening.
