system. We challenge attention to this

"About two years ago, after suffering for nearly two years from rheumatic gout, being able to walk only with great discomfort, and saving tried various remedies, including mineral waters, without relief, I saw by an advertisement in a Chicago paper that a man had been relieved of this distressing complaint, after long suffering, by taking Ayer's Sarsaparilia. I then decided to make a trial of this medicine, and took it regularly for eight months, and am pleased to state that it has effected a complete cure. I have since had no return of the disease."-Mrs. R. Irving Dodge, 110 West 125th st., New York. "One year ago I was taken ill with inflammatory rheumatism, being confined to my house six months. I came out of the sickness very much debilitated, with no appetite, and my system disordered in every way. I commenced using Ayer's Sarsaparilla and began to improve at once, gaining in strength and soon recovering my usual health. I cannot say too much in praise of this well-known medicine." - Mrs. L. A. Stark, Nashua, N. H.
