Pills and Powders Take a Back Seat-

A Little Girl of Sic. Cunegonde and How She Cures Hiftess -Passes a Feather Over Her Patient, and Presto Change.

-She is a Seventh Daughter. Great excitement has been caused, says the Montreal Witness, during the last year many parts of the United States by the dvent of Rosa de Lima Belleville, of Ste. Cunegonde, a child who affected marvellous cures by the mere application of a feather o the part of the body afflicted. This exaordinary child has now returned to Montcal. She is a demure little damsel, 11 years of age, and is the seventh daughter of French-Canadian artisan.

She first exercised her curative powers at the age of five years. A young woman who Now while a dairyman should post him. was visiting the family complained of severe self as to the requirements of the market pain in a gathered finger.
