CHAPTER IX .- Continued.

Florence Dane had, like many of the courage. Florence Dane had, like man, of the best people, a perfect mania for setting her fellow-creatures to rights. Her adversary had indeed answered—her questing her fellow-creatures to rights. Her adversary had indeed answered—her questing her fellow-creatures to rights. Her adversary had indeed answered—her questing her fellow-creatures to rights. Her adversary had indeed answered—her questing her fellow-creatures to rights. Her adversary had indeed answered—her questing her fellow-creatures to rights. Her adversary had indeed answered—her questing her fellow-creatures to rights. Her adversary had indeed answered—her questing her fellow-creatures to rights. Her adversary had indeed answered—her questing her fellow-creatures to rights. Her adversary had indeed answered—her questing her fellow-creatures to rights. Her adversary had indeed answered—her questing her fellow-creatures to rights. Her adversary had indeed answered who is strong and vigorous and abto to keep track of them all.

Corruption is alleged to have crept though and no pity could be admit do they for the since was before. Was her brother's positially a French, and not an English, witte, and yet which owes its origin in made any clearer to her? Was allowed the same road a little country for the first Republic, wrote the Gent who dared to revoit against to be shot who dared to revoit against though the country and the country for the first Republic, wrote the Gent who dared to revoit against to be shot who the same somewhat curtly from his study, she had so rudely invaded i my God."

was pained and hurt by what she conpossible, from the error of his ways. This, she conceived it to be clearly her duty as a sister and Christian to do. on entrapping him into: a marriage was torn in sunder. be in considerable jeopardy,.

she left her father's presence, she said were d'i with tears? Poor papa, he is so easy-going! He ingly, "you met her, then, that insolor bringing with it the paralytic seizure of that blow had fallen upon him, bringing with it the paralytic seizure of that blow had fallen upon him, bringing with it the paralytic seizure of that blow had fallen upon him, bringing with it the paralytic seizure of the bringing with it the paralytic seizure of the blow had fallen upon him, bringing with it the paralytic seizure of the blow had fallen upon him, bringing with it the paralytic seizure of the blow had fallen upon him, bringing with it the paralytic seizure of the bringing with it the bringin bad motives, and unchristian to open What has she done to you?"

a lady come towards her from it. The domain in the hollow of the chalk hills. tent.

at all pleased at Miss Dane's visit, nor by her short and almost uncivil method of addressing her; but she reflected that Florence was probably unaware of her own brusqueness, and that she rollies she had deemed herself to had, no doubt, come to beg for some subscription for her poor people.

"I don't want to rest Madame," said But, however jealously we guard the Florence, turning, levertheless, and sacred things of our inner souls-how-walking a few paces beside her. "I soever secure we are in our strength, don't want to force my way into your there comes a time when the world's house; I only want to ask you one rude hand draws aside the veil in which

ly faced and worsted. She was not go- once more.

"Yes, Madame de Brefour, most decidedly, when, as in this case, the answer concerns the happiness a my son's profest."

Swer concerns the happiness a mon's profest."

Rose controlled fier anger with a violent of speak, but there was a tunult of emotion at her heart. Something of the makedness of the truth became frudely and cruelly revealed to her, and she perceived that this woman had some show of right and justice on her side.

"Yes, Madame de Brefour, most decidedly, when, as in this case, the answorm this case, the answorm this case, the answorm this case, the answorm that I am not like other women—that I am not like other women that I am not like other women—that I am not like other women that I am not like other women—that I have had my portion that I am not like other women that I am not like other women. The children and I are the words, the the prison cutyloid for half anton. He does not extracted that I am not like other women that I am not like other women. The children and I are the words the words the words the words of which she personage is founded upon two financial projects, which he names.

A LITTLE BOYS PRAYER.

Little BOYS PRAYER.

Little BOYS PRAYER.

Little Architald was saying his paragraph to the prison cutyloid for half an hother. He does not extracted that I am not like other have in three depths are the word at the statedants agains one in sixty shows, according to the writer, that the so-called conquistion of the writer, that the so-called conquist of the writer, that the so-called conquist of the writer, that the word the statedants agains one in sixty shows.

He clos not extracted to wa she perceived that this woman had some show of right and justice on her side. Oh, yes; she felt that she had. Her heart still beat hotly within her, but her voice was cool and even when at his side that swung from side to side was fastened to the floor by her voice was cool and even when at his side that swung from side to side was fastened to the floor by her voice was cool and even when at his side that swung from side to side was fastened to the floor by her voice was cool and even when at his side that swung from side to side was fastened to the floor by her voice was cool and even when at his side that swung from side to side was fastened to the floor by her voice was fastened to the floor by her voice was cool and even when at his side that swung from side to side will be children to long the supplication of the floor by the hearth in his deep armchair. A both the first the supplication of the supplication
