NOTICES

2015 FINAL PROPERTY TAX BILLS
1st Instalment Due – July 17, 2015
2nd Instalment Due – September 18, 2015

RESIDENTIAL FINAL TAX bills have now been mailed. Ratepayers who have not received their bills should contact the Customer Service Centre as soon as possible. Failure to receive a tax bill does not eliminate the responsibility for payment of taxes or the penalty charges for late payment.

TAX PAYMENTS may be made at most Financial Institutions through tellers, banking machines, telephone and Internet banking, by mail or in person at the Municipal Offices, 111 Sandiford Drive. An after-hours drop box is available at the Main Entrance doors.

SUPPLEMENTARY TAXES ON NEWLY-CONSTRUCTED HOMES
Owners have been or will be receiving tax bills for the value of the "land" only excluding building, until the house is assessed by the Municipal Property Assessment Corporation (MPAC). Once assessed, supplementary tax bills will be issued for the house, retroactive to the date of possession. To estimate the annual taxes, simply multiply the purchase price of the home x 1%. This process can take 2 to 3 years and the tax bills will be due within a short time period. Pre-payments on account or through a pre-authorized payment plan can be made to assist homeowners in planning for these future supplementary tax bills. For further information contact Customer Service.

IMPORTING FILL ONTO YOUR PROPERTY?

If you are planning on changing the grade of your property there are some things you need to know about By-Law 2014-101-RE.

- Property owners must obtain a permit to fill, remove or move more than 200 cubic meters of soil on their property.
- Imported contaminated material could cause serious ground water and environmental damage. Clean up costs are the property owner's responsibility.
- The company that supplies the fill should provide a chemical analysis from a certified laboratory indicating the quality of the material.

For more information, please contact Paul Mercer, at ext. 2250
