**MARINATED CHICKEN BREAST**

These are from our delicious air-chilled chickens and marinated in any of our three signature preparations: Teriyaki, BBQ, and (my favourite) Maple Mustard. These are ideal for the grill, the oven or even cubed and put on kebabs! Plain chicken breast will also be an special. **Reg: \$11.95/lb** **NOW 25% OFF**

**CARLI OIL & VINEGAR**

From our friends at Brunello, we'll be featuring one of our most popular extra virgin olive oils alongside its sidekick balsamic. There are a lot of delicious oils out there, but at this price, the Carli is hard to beat. A smooth extra virgin with a peppery finish, excellent for a salad dressing. Both the Classic and Fruttato (slightly sweeter) oils will be featured, as will the Classic Balsamic and the White varietal. **Reg: Oil \$17.95** **Reg: Vinegar \$12.95** **25% OFF**

**WHAT'S COOKING AT THE DELI?**

We'll start with a soup this week, our **Chilled Blueberry & Cumin Soup**. We're now using plump local blueberries, alongside apple juice, lemon juice and a touch of maple syrup to make this delicious and refreshing treat. **Reg: \$7.95/900ml** **25% OFF**

Next up is our **Kale & Chickpea Salad**. If there's a better way to get your daily dose of fiber, I haven't found it. We load this salad with Kalamata olives, red onion, cherry tomatoes, basil and feta cheese in a white balsamic dressing. **Reg: \$1.89/100g** **1/3 OFF**

We'll have our **Sweet & Sour Pork** this week, as well. We take diced pork loin, gently fry it and toss it with veggies in a homemade sweet & sour sauce with the smallest hint of spice. **Featured at \$5.99 for 4"x5" container** **25% OFF**

**Tangy Mango Salsa** is being made up for the weekend. We toss chunks of juicy Haden mangos with onions, peppers and chives to make this versatile condiment. I think it pairs best with a white fish like halibut or pickerel (on special this weekend) but you can't go wrong with a grilled pork chop or chicken breast either. **Reg: \$4.99** **25% OFF**

We'll have **Evan's Champagne Shrimp** for \$1.99/ piece at the deli if you need an appetizer with that "WOW" factor. **25% OFF**

Our **Homemade Asiago Caesar Dressing** will be **25% OFF**

**Reg: \$4.99/250ml**

**CHERRIES**

The cherry season is winding down, and these are probably the last of the large size product from Montana. The variety is 'Lapin', and these are sweet and firm. The size is '9-row', which signifies how many cherries will fit into a specific dimension, so the smaller number is better, and this is a critical concern in buying cherries because the smaller sizes are usually much less in demand, and hence, much cheaper. The reason is that the pit of a cherry of any size is similar, so go big, and you'll find that life is not 'the pits'! Enjoy these... **Featured at \$4.99/LB**

**PICKEREL**

When I think of pickerel, I think of my friend, Jim Brown. An excellent fisherman, Jim would always take me out on Lake Muskoka to try and catch these, which were his personal fave. I would never have as much luck as he would (I'll stick to making pizza), and when we'd go to his cottage to feast, he'd dredge thin pieces of them in pancake batter and fry them up. **Featured at \$15.95/LB**

**PIZZA PIZZAZZ**

We'll have our **Mediterranean Chicken Pizza** on special this week, as it only seemed appropriate to have a Greek pizza at a rock bottom price. (Sorry for the cheap shot). We start with a base of extra virgin olive oil and top on grilled chicken breast, roasted tomatoes, red onions, olives, oregano and of course, crumbled feta cheese. **Reg: \$12.95** **NOW 1/3 OFF**

**BLUEBERRY SAUSAGES**

It's hard to beat any combination of sweet and salty, which is where this tasty sausage hits home. Fresh ground pork with plump local blueberries, some maple, and mild spices to season. **Reg: \$5.99/lb** **Now 25% OFF**

**WHAT'S FOR LUNCH?**

We'll be making up **Salami & Jarlsberg Sandwiches**. The saltiness of the salami (we use a combination of Tuscan salami and the mild Genoa salami) pairs well with the creaminess of the cheese, and then we add some roasted peppers and arugula. Will be available at **\$6.99** or **\$7.99** with a glass of our Homemade Lemonade.

For Sunday brunch we'll have **Leek and Potato Soup, Farfalle with Chicken Onion and Spinach in a Lemon Pepper Cream Sauce, Doreen's Famous Beef, Beer & Onion Stew or a Chicken Breast in a Sundried Tomato Cream Sauce** with your choice of a side, a cup of coffee and a token dessert, all for **\$11.95**

Served from noon till 2pm

**CHEESE PLEASE!**

One of my go-to snacks and a necessity on any serious cheese tray, **Jarlsberg Cheese** is awesome. It's mild and buttery with a slightly sweet, nutty flavor. Perfect on a sandwich (it's on the special sandwich at the café this week), makes a wicked grilled cheese, julienned on a salad or just eaten as is. **Reg: \$4.49/100g** **25% OFF**

**SOLO FRUIT SORBETS**

Now that the weather has decided to start actually acting like summer, we've brought in a new frozen treat. These sorbets have no added sugar, no fat, no gluten, no lactose, but don't compromise a bit for flavor. Available in Mango, Lemon, Pear, Raspberry and Passionfruit. **Reg: \$7.49** **25% OFF**

**BLUEBERRIES**

Local Wild Blueberry season is fast approaching, but for now we'll tide you over with these plump and juicy offerings from BC. These are full pints. **Featured at \$1.99 EACH**

**WHAT'S BAKING THIS WEEK?**

We are baking with LEMONS this week. Cool, light and refreshing lemon is perfect in the hot, humid weather we are having right now.

**LEMON MOUSSE CAKES** - I happened to see one of these in the bakery last week and it really caught my eye, I asked Jaana if it tastes as good as it looks and her reply was: "It tastes even better than it looks!" We make an absolutely delicious mousse using fresh lemon juice and zest, egg yolks, sugar and whipped cream, and a bit of Limoncello liqueur to round out the flavors. Then we layer it with white cake, and finish with more mousse, white chocolate shavings and little lemon candies. **\$24.95**

**LEMON MOUSSE** - If you want to go even lighter, we also offer the Lemon Mousse by itself without the cake part, piped into ramekins. When you return the ramekin, you get a \$.75 deposit back. **\$4.50**

**LEMON LOAVES** - Poundcake-type loaf made with just egg, butter, sugar, flour, buttermilk and lots of fresh lemon, of course. Iced with rich buttery lemon icing. Available in our refrigerated section. While quantities last. **\$5.99**

**LEMON SQUARES** - Lemon filling made with fresh lemon, eggs, sugar and some crushed coconut, on a shortbread bottom. Finished with our lemon icing. **\$3.49**

**LEMON CHEESECAKES** - This is the first cheesecake we made when we started our bakery, and it is still the same and going strong. All our other cheesecakes are variations of this recipe. Cream cheese mixture with fresh lemon juice and zest, with a good amount of our lemon curd swirled in for that extra richness. Finished with a lemon glaze and candied lemon peel. **\$17.95 and \$30.95**

**LEMON BLUEBERRY MUFFINS** - Our best-selling muffin that always sells out first! Same batter as our lemon loaf, with fresh blueberries baked in. **\$1.99**

**ALL OF THESE ITEMS ARE 25% OFF THIS WEEK**
