## PERLA DENTAL

Perla Dental is your first line of defense in family dental health care. They take the time to understand your concerns, examine your teeth, jaw, and gums, and design a custom treatment plan suited just for you. Whether you need a basic cleaning or advanced laser dentistry practices, Perla offers a wide range of modern dental services to expert dental health care.

Dr. Sara is a caring and professional dentist providing a personalized and comfortable experience to Stouffville residents for several years. She explains that she takes pride in providing leading edge dentistry. "We are equipped with state of the art dental equipment and low radiation digital x-rays and in a friendly, modern and comfortable environment. Our clients have been extremely satisfied with our services, and their experiences have lead us to open a second Perla Dental location in Uxbridge, ON."

Dr. Sara goes on to say, "It is important to choose the right dentist for you. It can be a lifelong relationship. I urge you to consider booking an appointment with Perla Dental and try out our comprehensive dental care."
