HONDA
The power of dreams

Honda of Canada Mfg.
Box 5000, 4700 Industrial Parkway
Alliston, ON, L9R 1A2

Contract Production Associate Position(s)

Target Start Date: Fall 2015

Length of Contract: 1-year renewable

Located in Alliston, Ontario and employing approximately 4200 Associates, HCM is a 45-minute drive north of Toronto and 25 minutes south of Barrie. Honda of Canada Mfg. (HCM) began production in 1986 and, today, is one of Honda's premier manufacturing facilities in the world producing the Honda Civic and the CRV sport utility vehicle.

HCM currently has employment opportunities available for Contract Production Associates. Applicants must be able to work rotating shifts, have the ability to work with a high level of motivation, energy and detailed focus in a physical, fast paced environment.

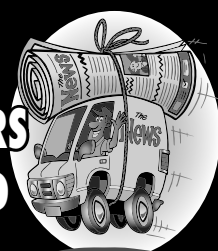

HCM will provide all personal protective equipment (safety shoes, glasses, hats, etc), uniforms and lockers. Associates will also have the opportunity to use HCM's state-of-the-art on-site fitness and recreation facility as well as the Associate Workshop. Competitive compensation including shift premium, bonuses and basic benefit package provided.

Interested applicants may apply directly by submitting an application/resume at the main entrance of Plant One or Plant Two, or by forwarding a resume to the attention of **Recruitment** at recruiting@hcm.honda.com. Applicants should list any relevant work experience where physically demanding and repetitive work was required. Also, please specify any specific experience using hand tools, or equipment.

**The Power of Dreams is alive and well at HCM.
Come join our team for a rewarding and worthwhile experience!**

We thank all applicants in advance but advise that only those under consideration will be contacted.
