Refugees, growth on politicians' minds

As another year comes to a close, we asked our MP and MPP, along with local councillors, to give us their wishes for the upcoming year and what they believe will take place in 2016 that will have a direct impact on Whitchurch-Stouffville.

Jane Philpott, Markham-Stouffville MP, health minister

What are your wishes for 2016?

My wish is that our community and our country will enjoy a peaceful, prosperous and productive new year. I hope that we will continue to demonstrate the Canadian spirit

of generosity and compassion toward others that enriches us all.

What will happen this year that will impact Whitchurch-Stouffville residents?

See **STOUFFVILLE**, page 3.
