Race team takes early lead

Stouffville-based Blanchet Motorsports/Hyundai Genesis Racing team got off to a good start in the Canadian Touring Car Championship presented by Continental Tire by taking the points lead after the first event at Canadian Tire Motorsport Park near Bowmanville.

The team finished second and third.

The team will resume action in the CTCC when the next event takes place Calabogie Motorsports Park this weekend.

Team owner Frank Blanchet feels the next series will be critical to add to their current lead in the series standings.

"This is our chance to build a gap in points before we get to the tight twisty tracks later in the schedule", he said. "The consistency and reliability is there this year so we are very focused on winning a championship for Hyundai."

Racing since 1993 in karting and open wheel racing before moving into sedan racing in 2005, Blanchet Motorsports is the 2012 and 2013 Touring Class Champion in the CTCC.

Moving into Super Touring last year, the Blanchet Motorsports team finished fourth and eighth in class before moving up this season into Grand Touring class with their two Hyundai Genesis Coupes.

Competing in the Juvenile Boys U17 Division, the Stouffville resident finished the two-round event at 15-over 159 (79-80).
