Food Truck Frenzy drew large crowds downtown in 2015. Four events are planned this year.

Food trucks visit four times this year

Is there such a thing as too much choice?

That's for Stouffvillians and out-of-town visitors to decide at this year's Food Truck Frenzy, the second annual event of its kind in Stouffville.

Main Street between Park Drive and Market Street will be packed with 19 food trucks hailing from across the GTA on four dates throughout the summer. Thursday evenings from 5 to 8 p.m. on June 23, July 21, Sept. 8 and Oct. 6, residents and visitors can enjoy a wide selection of delicious food from trucks and local vendors who will set up booths and tents to promote their businesses.

The events are organized by the town with sponsorship from Houston Ford on Main Street.

"Last year the two events were very popular," said town manager of culture Joan Crosbie. "Probably in the region of 4,000 people per day."

4,000 PEOPLE PER DAY

There will be 19 food trucks at each event this year.

Each event will offer different food trucks as well as familiar ones that will be present throughout the series.

Food trucks include Wickedly Sinful, Born2Eat, Mustache Burger, Dolcella Gelato, Meat Ventures, Le Novela, Wanna Burger, Peymski Food Truck, Stuttering John's Smokehouse, Mister Treats, Smokinstein, Fresh Food Truck, Fully Loaded TO, Buster's Sea Cove, Cil's

Place, The Sandwich Stop, Kickass Donut Co., Urban Smoke, Gourmet Gringos, Sharkkeys and the Great Canadian Food Truck.

Local businesses Belfiore and The Tippy Cow will have tents set up offering their items.

LIVE MUSIC

Bands will perform on event days. The first event on June 23 will feature local band Full Moon perform their pop-rock sound from 5 to 8 p.m.

DJ service is on between sets and street entertainment will be performed by local dance group MOTUS O.

The Town of Whitchurch-Stouffville first decided to hold the food truck events to invite locals and outsiders to the downtown core.

"If you look around in neighbouring communities, like Markham, they've had a food truck event, and it's very popular," Crosbie said. "So it can bring some vibrancy to the downtown core, as well as bring people outside."

The family-friendly event will serve no alcohol. As for all the garbage that's inevitable with so many food trucks and so many visitors, Crosbie said there's nothing to worry about.

"We have extra garbage cans and picnic tables set up in Civic Square," she said. "Town staff are doing extra duty to make sure at the end of the event it's spotless."

"Our guys work hard to keep it nice and clean," Crosbie added.
