PUBLIC INFORMATION SESSION
Thursday, June 23, 6:30 PM to 7:30 PM

The Corporation of the Town of Whitchurch-Stouffville has received an Application for a Site Alteration (Fill) Permit from Boilen Properties Limited under the Town's latest Fill By-law 2014-101-RE for the property municipally known as 14245 Ninth Line, Concession 9, Part of Lot 14, in the Town of Whitchurch-Stouffville.

Staff from the Town's Engineering Division are facilitating a Public Information Session on Thursday June 23, 2016 for the owner of the subject property. The session will be convened from 6:30 pm to 7:30 pm. The meeting will be held in the Council Chambers of the Municipal Offices, located at 111 Sandiford Drive, Stouffville. The meeting will provide an opportunity for interested members of the community to participate in discussions and provide comments for this Site Alteration Permit Application.

PUBLIC INPUT FOR TOWN'S PROCEDURAL BY-LAW REVIEW

Staff are currently undertaking a review of the Town's Procedural By-law, By-law 2015-184-RE. The Procedural By-law governs the process by which Council Meetings are held and how Council discusses, deliberates, and make decisions on matters that affect the community. As a crucial component of this by-law is openness and transparency, Staff wish to extend the opportunity for residents and members of the public to comment on the Procedural By-law and Council Meetings by completing an anonymous survey available at the following link: www.townofws.ca/ProceduralBylaw

NOTICE OF STUDY COMMENCEMENT

Schedule 'B' Municipal Class Environmental Assessment
Lakeshore Road, Musselmans Lake

The Town of Whitchurch-Stouffville has retained the Ainley Group to complete a Municipal Class Environmental Assessment (Class EA) for the rehabilitation of the following two segments of Lakeshore Road located along the southern portion of Musselman's Lake:

Segment 'A': Extends from the municipal address of 5805 Lakeshore Road, east along Lakeshore Road approximately 120 metres.

Segment 'B': Extends from the municipal address of 5831 Lakeshore Road, east along Lakeshore Road approximately 180 metres.

The purpose of this undertaking is to improve the overall condition of the approximately 300 metre segment of Lakeshore Road, address the deterioration of the shoreline along Segment A and prevent further deterioration of the shoreline along Segment B. This project will follow the Schedule 'B' planning process as outlined in the *Municipal Class Environmental Assessment*.

The purpose of this notice is to advise of the commencement of the Class EA process and to provide the public with opportunity to comment on the project.

GATEWAY MIXED USE AREA/WESTERN APPROACH LAND USE PLANNING STUDY

PUBLIC INFORMATION CENTRE
Wednesday, June 29, 2016
7:00 PM

Council Chambers, 111 Sandiford Drive, Stouffville

Study Purpose and Background

The Town of Whitchurch-Stouffville is undertaking a land use planning study for the lands at the intersection of Highway 48 and Main Street which are designated as "Gateway Mixed Use Area" in the Community of Stouffville Secondary Plan. The study also addresses lands immediately to the east along Main Street in the Secondary Plan "Western Approach Area" designation and related urban design considerations. The Study will examine the full range of policy, servicing, transportation, and environmental issues necessary to prepare a detailed development concept plan for the Study Area and related amendments to the Secondary Plan. A detailed implementation strategy will also be developed to advance the preferred land use and urban design concept plan. The Town is hosting a Public Information Centre to outline the results of the background analysis to date including a number of background studies related to natural heritage, transportation, and servicing and storm water management.

Public Information Centre

Town staff and consultants are available to discuss the background work and study process on Wednesday, June 29, 2016 beginning at 7:00 PM at the Town Municipal Offices:

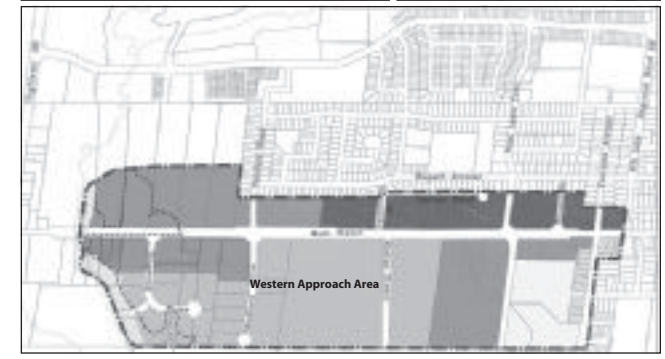

- 7:00-7:30 PM Staff and consultants are available to discuss the background work and study process
- 7:30 -8:00 PM Presentation
- 8:00-8:30 PM Questions
