SUNDAYS!**

## Entrance to Stouffville being studied

What will the entrance to Stouffville look like?  
The Town of Whitchurch-Stouffville is holding a public information session regarding a land use planning study of lands adjacent to Hwy. 48 and Stouffville Road/Main Street.  
Called the Gateway Land Use Area/Western Approach Land Use Study, it will address

questions relating to access management, flood plain parameters and environmental issues.  
The study aims to provide clarity on opportunities and constraints in the area. The town encourages public opinion on the plan.  
The session is scheduled for Wednesday from 7 to 9 p.m. in the council chambers at 111 Sandiford Dr.
