Coming to a park near you...movie nights!  
Across the summer, the town is again hosting movie nights at Memorial Park with six movies scheduled for screenings. It's part of a series that will offer residents a chance to watch family-friendly films like *Minions*, *Hotel Transylvanian 2*, *Inside Out*, *Zootopia*, *Star Wars – The Force Awakens* and *The Jungle Book*.

The series – called Movies in the Park – began last Friday with a showing of *Minions*. If you missed the first movie, the other five will be shown later this summer.

"We had about 200 people out for *Minions*," said town manager of culture Joan Crosbie. "The

numbers exceeded our expectations; we hope it'll set the bar for the entire summer."

Movie-goers can take advantage of popcorn and beverages for sale on-site as well as music that plays before the start of each movie.

Next up is *Hotel Transylvania 2* to be screened on June 24 at 8:30 p.m. The movie features a hotel run by Dracula himself, offering bed and breakfast and other comforts to his monster friends including Frankenstein and the Phantom of the Opera.

It stars Adam Sandler, Andy Samberg and Selena Gomez.

All showtimes are set for 8:30 p.m., the dates are as follows:

*Inside Out* is scheduled for July 15, *Zootopia* for July 22, *Star Wars – The Force Awakens* for

Aug. 19, and *The Jungle Book* for Aug. 26.

"We solidified the showings, previously they were scattered throughout the summer," Crosbie said. "This time we have it the last two Fridays of June, July and August, makes it easy for people to remember."

The events staff chose movies they thought were recent and family-friendly.

Town officials suggest residents bring lawn chairs and blankets.

The movie series is presented by Perla Dental and sponsored by the town, IDA, Bank of Montreal, Schell Lumber, Renew Integrative Health, Stouffville Academy of Music and Dance and Care and Share Thrift Shop.
