

ENHANCEMENTS COMING SOON!

Georgina Transfer Station
Household Hazardous Waste and Recycling Depot
23068 Warden Avenue, Georgina

To serve you better, York Region will be constructing new features at the Georgina Transfer Station:

- Elevated platform with drop-off bins and a dedicated vehicle unloading area, making it easier for customers to unload materials
- Dedicated road for service vehicles, improving customer experience and on-site traffic flow
- New outbound weigh scale house to improve transaction process for customers exiting the site
- Expanded list of acceptable bulky recyclables including drywall, untreated wood and foam packaging
- Multi-purpose building with household hazardous waste depot and inbound weigh scale house

The Georgina Transfer Station will be open during construction. Please expect delays.

Please check york.ca/wastedepots or call 1-866-665-6752 for updated construction information.
