WARD, Douglas Earl

In loving memory of a special Dad and Grandpa who passed away on November 23rd, 1995

Our lives go on without you,
Though nothing is the same
We have to hide the heartache
When someone speaks your name
You did so many things for us
Your heart was kind and true
As long as we were happy
You were happy too

*Loved, missed
and remembered forever,*

LET IT ROT!

Put a composter in your backyard or use your green bin to reduce household waste.

Composting organics has two key benefits: it reduces the amount of waste going to landfills and when added to your garden, helps nourish soil and plants.
