# Stouffville Igoma Partnership hosts Christmas fundraiser

**ALI RAZA**

In the small village of Igoma, Tanzania, 600 people have access to medical care because of the work of the Stouffville Igoma Partnership (SIP).

Sixty teens now attend high school and ten young adults attend vocational school because of SIP's Peter Neufeld Education Fund, named after the late Peter Neufeld who was involved in the founding of the charity along with a team of 13 people from several churches in Whitchurch-Stouffville.

The charity has grown since then. SIP chair Justin Kerswill and the team visit Igoma annually and fundraising events help ship more useful goods and services to the village like mosquito nets or medical supplies.

For the holidays, SIP is hosting a Christmas fundraiser at the Lion of Stouffville on Thursday, Dec. 8 at 7:30 p.m.

The event features a "Great variety of musicians, who will all play their favourite Christmas songs," Kerswill said. It follows a larger fundraising event SIP held in October in which Markham-Stouffville MP Jane Philippott attended.

"It was one of our best dinners, people gave quite generously," Kerswill said.

That event raised \$24,000 and is for regular operations of the charity which includes the management of a medical clinic in Igoma that employs 36 doctors, nurses and other employees.

The fundraising events help the charity plan its annual budget. Kerswill

says the outlook for 2017 looks promising.

"We're able to keep our programs running at the pace they've been running at in previous years, where our biggest focus is finishing the furnishings of our minor theatre so they can do surgeries, give out eyeglasses, rent it out to dentists," he explained.

SIP recently received \$10,000 from local charity 100 Women Who Care, which facilitates the operating theatre project.

A team is planned to return to Igoma in September 2017. Kerswill aims to bring Mayor Justin Altmann along for the trip.

The Christmas fundraiser features The Marion Drexler Band, Blaine Burnie, Ro Randall, Todd and Tanya Porter and many more. Donations can be given at the door.

Because the treatment is non-surgical, safe and easy, most patients report an almost immediate relief from their pain.

Patient Sean M. from Richmond Hill says, "My back pain was unbearable but the worst thing was the searing burning pain I felt in my buttock and leg.

I couldn't work or do anything useful and the drugs my MD prescribed hardly did anything.

My wife insisted I respond to one of these ads, I thought it would be a total waste of time, but I'm so glad she kept on at me.

Thank god I called your number, I'm 95% better in just a couple of weeks."
