Friends at Scanlon Creek would like to invite you to bring your family out into Bradford West Gwillimbury's wilderness to spend a magical evening full of holiday spirit at their Carolling Around the Campfire event.

On Dec. 10, from 6 p.m. to 8 p.m., you can enjoy the park's beautifully-lit trails during a night hike, cosy up around the campfire for

stories, and cap things off by listening to some live music and Christmas carols.

The nature discovery table will be open for kids to delve into, as they will be able to make their very own pine cone bird feeder craft.

The nighttime activities will give guests the opportunity to enjoy the great outdoors alongside some great company. Interested participants are asked to meet at the Nature Centre inside of the Scanlon Creek

Conservation Area, located at 2450 9th Line in BWG.

A \$10 parking fee per vehicle will be charged at the front gate.

The Friends of Scanlon Creek is a group of volunteers that continue to provide events and natural heritage programs for the public on a regular basis at Scanlon Creek.
