Christmas

.....that magic blanket that wraps itself around us, that something so intangible that it is like a sweet fragrance or bouquet. It may weave a spell of nostalgia. Christmas may be a day of feasting or of prayer, but always it will be a time of remembrance... a season in which we are reminded of everything and everyone we have ever loved. May the spirit of Christmas that forever endures, grant you old fashioned pleasures, happy memories, joy in your home and peace in your world throughout this holiday season and leave its richest blessing in the heart of you and yours.
