## Get Creative This Fall at Latch

By Jennifer Ontock

Our upcoming fall schedule will include a variety of art classes for all ages.

Register for Budding Artists for ages 6 to 11 is on Saturday mornings, and for ages 4 to 8 on Saturday afternoons. Our Thursday after school Art Jam is for youth ages 10 to 16, and our PA Day Art Workshops are for ages 4 to 10. Our children's programs are all taught by professional artist educators. Pre-registration is required and all art materials are included.

Adult Life Drawing Club for ages 18 and up begins Sept. 23 for 10 weeks. Sketch from a nude model - from quick studies to extended poses. There is no instructor, and participants bring their own media.

Save the date for Big Night Out - Havana. On Oct. 25 feel the warm salty

air and hear the rhythmic sounds of Cuba as you sip Mojitos and sample island treats. Celebrate the contrast between the richness of Cuban tradition and the colour of Caribbean culture with Latin rhythms, textiles and fresh tastes. Relax and enjoy vibrant dancers, sample the savory fare and bid on an array of exciting auction items and original art in Havana.
